

# **WEBNEBULUS LTD. QUALITY POLICY**

## **Introduction**

Webnebulus Ltd. constantly strives to refine its quality systems with the intention of providing our clients with the quality of service they expect from a professional quality centered company. To achieve this objective Webnebulus Ltd. is currently undertaking the necessary steps to be granted ISO accreditation as soon as is practicable.

Although we are not currently ISO accredited, our current Quality Policy is regularly reviewed by the company directors. It is and will continue to be intention of the management team that the policies and procedures defined within our policy are implemented on each and every project; with adequate resources being made available to ensure this goal is achieved.

## **Webnebulus Ltd. Quality Statement**

Webnebulus Ltd. believes strongly that responsibility for quality assurance lies closest to the point of actual delivery. Therefore all personnel are responsible for ensuring compliance with the requirements of the Quality System, which will be closely monitored using our internal audit system.

All projects are managed by a dedicated contract manager. Once the contract is up and running the contract manager or supervisor will ensure that quality of service is maintained by working closely with the client.

This process enables managers to immediately identify performance shortfalls and weaknesses enabling Webnebulus Ltd. to continually improve its performance and adopt new procedures.

Webnebulus Ltd. aims to provide an effective focused service to clients at all times meeting and surpassing their expectations in service delivery.

Webnebulus Ltd. is committed to:

- Develop and improve our Quality Management System formally seeking ISO accreditation as soon as is practicable;
